BUILDING HOMES
FOR TEXAS FAMILIES

GROWTH PAYS FOR ITSELF

100 NEW HOMES IN LIBERTY COUNTY =

More than
$47.8 MILLION
in economic output

301
new jobs

$1.48 MILLION
in local tax revenue
in the first year

WHY IT MATTERS

- Expands the tax base
- Supports local businesses
- Creates jobs across dozens of industries
- Increases quality of life through additional local services such as healthcare, retail and schools
- Helps employers attract and retain talent
- Attracts homeowners who give back to the community
- Provides more housing options for families in all stages of life

Housing isn't just about building homes.

It's about building thriving communities and a stronger Texas economy.
